IT'S NOT YOUR HEART IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood. Kidney disease is usually indicated by backache, sleeplessness, nervousness, dizziness, headache, stomach trouble, pain in loins and lower abdomen, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL HAZEL OIL Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL HAZEL OIL Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL HAZEL OIL.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks. Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

(Continued from 1st page)

Will it not be nice when the boys can come home (and that will be only a question of a few months at the greatest) and meet father and mother, who have prayed and grieved for them during their absence; and meet brothers and sisters and all be re-united, and then he can stand up before the world and before father and mother, showing that there is not a drop of "slacker" blood running his veins, and can truthfully say to the world that "I have done my bit in making the world safe for Democracy?"

Camp Greene is located about three miles north of Charlotte. It is a very nice camp, although not so nice as some of the other camps of the country, especially Camp Taylor, which is said to be the very best in the country. I have seen several of the boys who have served at Camp Taylor and they always have something good to say about it.

Charlotte is a nice and prosperous little city with about 50,000 inhabitants. They give all kinds of amusements in connection with these organizations here in the camp for the benefit of the soldiers. These organizations are: The Y. M. C. A., K. of C., Jewish Welfare Board, Y. W. C. A. etc., all of which seem to take a great interest in the soldiers, and can, more than any thing else, make us feel at home. All that I heard said about the "Y" before I came here I could scarcely believe; but since I have come and have seen them at work I must agree that there hasn't been enough said about them nor enough done in their maintenance, although almost all the people back home have done lots and we appreciate it too. The "Y's" are where we can go when we feel blue, when we feel good, when we want to write a letter home when we want to go to a movie and when we want to go to church or Sunday School, and if it isn't too much to say, they are the main spoke in the "military" wheel of the army. These organizations are doing all they can for the boys before they are discharged to get them back into civilian life as good citizens as they were when they came to the army, by giving them daily lectures (and schools for those who cannot read or write) that they might be worth more to their country and be in a position to enjoy its Liberty and Freedom more than they ever did before.

The army has been beneficial to me physically. I have gained about 30 pounds in weight in three months and had the flu in the meantime. I guess it will not be very long till some of the boys will begin to come home, of course it will be a little longer till all of them will be back from over the sea. I think the plans of this camp are to get all of the men out of this camp by the first of the year, but I haven't seen the official "dope" on it yet.

It can be said of America as was never said of any nation before that she saved the world for Democracy, Christian religion and for the Humanity in general, and we are now recognized as the youngest nation yet the strongest on the globe. Will not write too much to worry your readers. Regards to all my friends and more especially to those at home. Would like to hear from any of my old friends who would care to write. With best wishes, I am,
Yours truly,

ABOUT CROUP.

If your children are subject to croup, or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.
